**Cascade Tours** invite you to join them on our Pemberton/Albany getaway. As usual you will be well taken care of by your friendly crew with Sue, our fabulous tour manager/hostess.

Day 1. After our support cars deliver you to the coach we make our way to Brunswick for a fabulous lunch. First we stop en route for morning tea. We travel through Bridgetown enjoying the rolling hills and beautiful scenery. After checking into the Pemberton Motel enjoy a buffet dinner in the Motel dining room

Day 2. We board the tram for a scenic ride around the forest before a picnic lunch at the Gloucester Tree. In the afternoon we will visit the Pemberton Fine Woodcraft Gallery and the visitors centre. You will have some free time before dinner in the Hotel dining room. There are some wonderful artworks in the main street which are made by 16 members of local art groups and are illuminated at night so well worth a stroll around after dinner in the Hotel.

Day 3. After another hearty breakfast in the Motel dining room we travel to Manjimup to the One Tree Bridge and the Four Aces where we have morning tea amongst the huge trees. Lunch can be purchased in Manjimup before returning to Pemberton with a visit to the Lavender Farm along the way. We arrive back in Pemberton in time for dinner at the Hotel.

Day 4. Breakfast again is in the Hotel dining room before we depart for our journey to Albany. Today we will be boarding the boat in Walpole for the WOW cruise with the very entertaining skipper Gary Muir. Lunch can be purchased at the bakery or cafe in Walpole before boarding the coach for our journey to Albany via the Treetop Walk. This is optional so at your own expense. We then travel through Denmark to the Le Grande Motel in Albany where after checking in we will enjoy dinner in the Motel dining room.

Day 5. After breakfast our first stop is Mt Clarence to see the Fortress which has the National ANZAC Centre. Entry is optional as many people have visited in the past. We take a scenic drive past Middleton Beach to Mt Clarence and the Desert Mounted Corpse Memorial. We then travel to the Albany Wind Farm before visiting Albany's Residency Museum and the replica of the Brig Amity. The Old Gaol is an example of one of Australia's early prisons. After some free time in the main street to buy your lunch we travel to Chainsaw Drive to see the amazing sculptures. Mount Romance is also included in this fabulous day out.

Day 6. This is a really special day out. We head towards Denmark to visit Recollections of War and enjoy a light morning tea whilst viewing this extensive collection. The visit to this amazing private collection will surely be a highlight of your holiday. Lunch today is at the Denmark Hotel before travelling to Ducketts Mill for a little wine and cheese tasting. We return to the Motel for dinner and a well earned rest.

Day 7. Say goodbye to Albany and travel to Kattanning for lunch. We return to Perth Via Wagin with a comfort stop and photo opportunity at the Big Ram. Our support cars will be waiting to take you home. We hope you have enjoyed your holiday and thank you for your support.
